**Saturday , October 31, 2026**

Many Americans celebrate Halloween on October 31, often with costume parties, trick-or-treating, and festive decorations. It is one of the most commercially significant events in the US.

## COLUMBUS DAY MONDAY OCTOBER 12, 2026

The first Columbus Day celebration took place in 1792, when New York's Columbian Order—better known as Tammany Hall—held an event to commemorate the historic landing's 300th anniversary. Taking pride in Columbus' birthplace and faith, Italian and Catholic communities in various parts of the country began organizing annual religious ceremonies and parades in his honor.

In 1892, President Benjamin Harrison issued a proclamation encouraging Americans to mark the 400th anniversary of Columbus' voyage with patriotic festivities, writing, "On that day let the people, so far as possible, cease from toil and devote themselves to such exercises as may best express honor to the discoverer and their appreciation of the great achievements of the four completed centuries of American life."

In 1937, President Franklin D. Roosevelt proclaimed Columbus Day a national holiday, largely as a result of intense lobbying by the Knights of Columbus, an influential Catholic fraternal organization. Columbus Day is observed on the second Monday of October. While Columbus Day is a federal government holiday meaning, all federal offices are closed, not all states grant it as a day off from work.
