“Books are like a friend you can always count on. Best of all, I can constantly choose whom to be accompanied by; There will be times when I have to read scientific articles because of my profession and my understanding is a little more rigorous, but every night I also choose to be accompanied by a good story that takes me to other parts of the world”.

“Los libros son como un amigo con el que siempre puedes contar. Lo mejor de todo es que constantemente puedo elegir por quién estar acompañado; habrá ocasiones que tengo que leer artículos científicos por mi profesión y es un poco más riguroso mi entendimiento, pero también cada noche elijo estar acompañado por una buena historia que me lleve a recorrer otros lugares del mundo”.
